YOUR PRACTICE WITH

INVISALIGN

PARTNER WITH INVISALIGN AND WATCH YOUR PRACTICE GROW.

It takes time and commitment to build a thriving practice—and making all the right choices is crucial to success. That's why Invisalign® is the perfect addition to your list of dental services. This innovative teeth-straightening system can help attract new patients and advance your practice in important ways—giving you a new opportunity to enjoy the rewards that go along with it.

WHY INVISALIGN? THE ADVANTAGES ARE CLEAR.

- **Over two million patients** have already chosen the Invisalign system, and the number increases every day
- **Over four and a half million people** visited the Invisalign Web site in the last year
- Our Web site attracts patients—**over 400,000 people** search online for an Invisalign provider every year
- Invisalign is the **#1 clear aligner orthodontic brand** for patients
- Treating just two patients per week with Invisalign can mean over \$500K in revenue per year*
- Training and support for you and your staff are available around the clock every day of the year

Flexible. Comfortable. Virtually undetectable.
No wonder so many patients prefer Invisalign over traditional wire and bracket braces.

INVISALIGN IS THE SMART CHOICE FOR YOUR PRACTICE.

With Invisalign as your partner, you can have the thriving practice you've always wanted—and enjoy all of the rewards of success you deserve.

"Invisalign has been a **huge boost for my practice**. Once patients see the results, I get a lot of requests for Invisalign treatment from other patients. It's an untapped need."

– Dr. Payam Ataii, Laguna Hill, CA

"I'm delighted that my rural Oklahoma practice has **nearly doubled its average quarterly Invisalign submissions** (89% growth over a 15-month period, from 7/09 through 9/10)."

– Dr. Kristen Burris, Shattuck, OK

"Invisalign has **helped me retain patients** instead of sending them elsewhere for orthodontic treatment... I am able to stay completely in touch with my patients from beginning to end—which is the kind of comprehensive care they deserve."

– Dr. Chethan Chetty, Los Angeles, CA

* Figured with an average case price of \$3,500.
